A system of basic registers in the Netherlands

Status, Dilemma's, Opportunities

Steven Luitjens,
Director GBO.Overheid
Secretary of the Forum
Standardization,
Kopenhagen,
July 8, 2008.

Work visit to Denmark

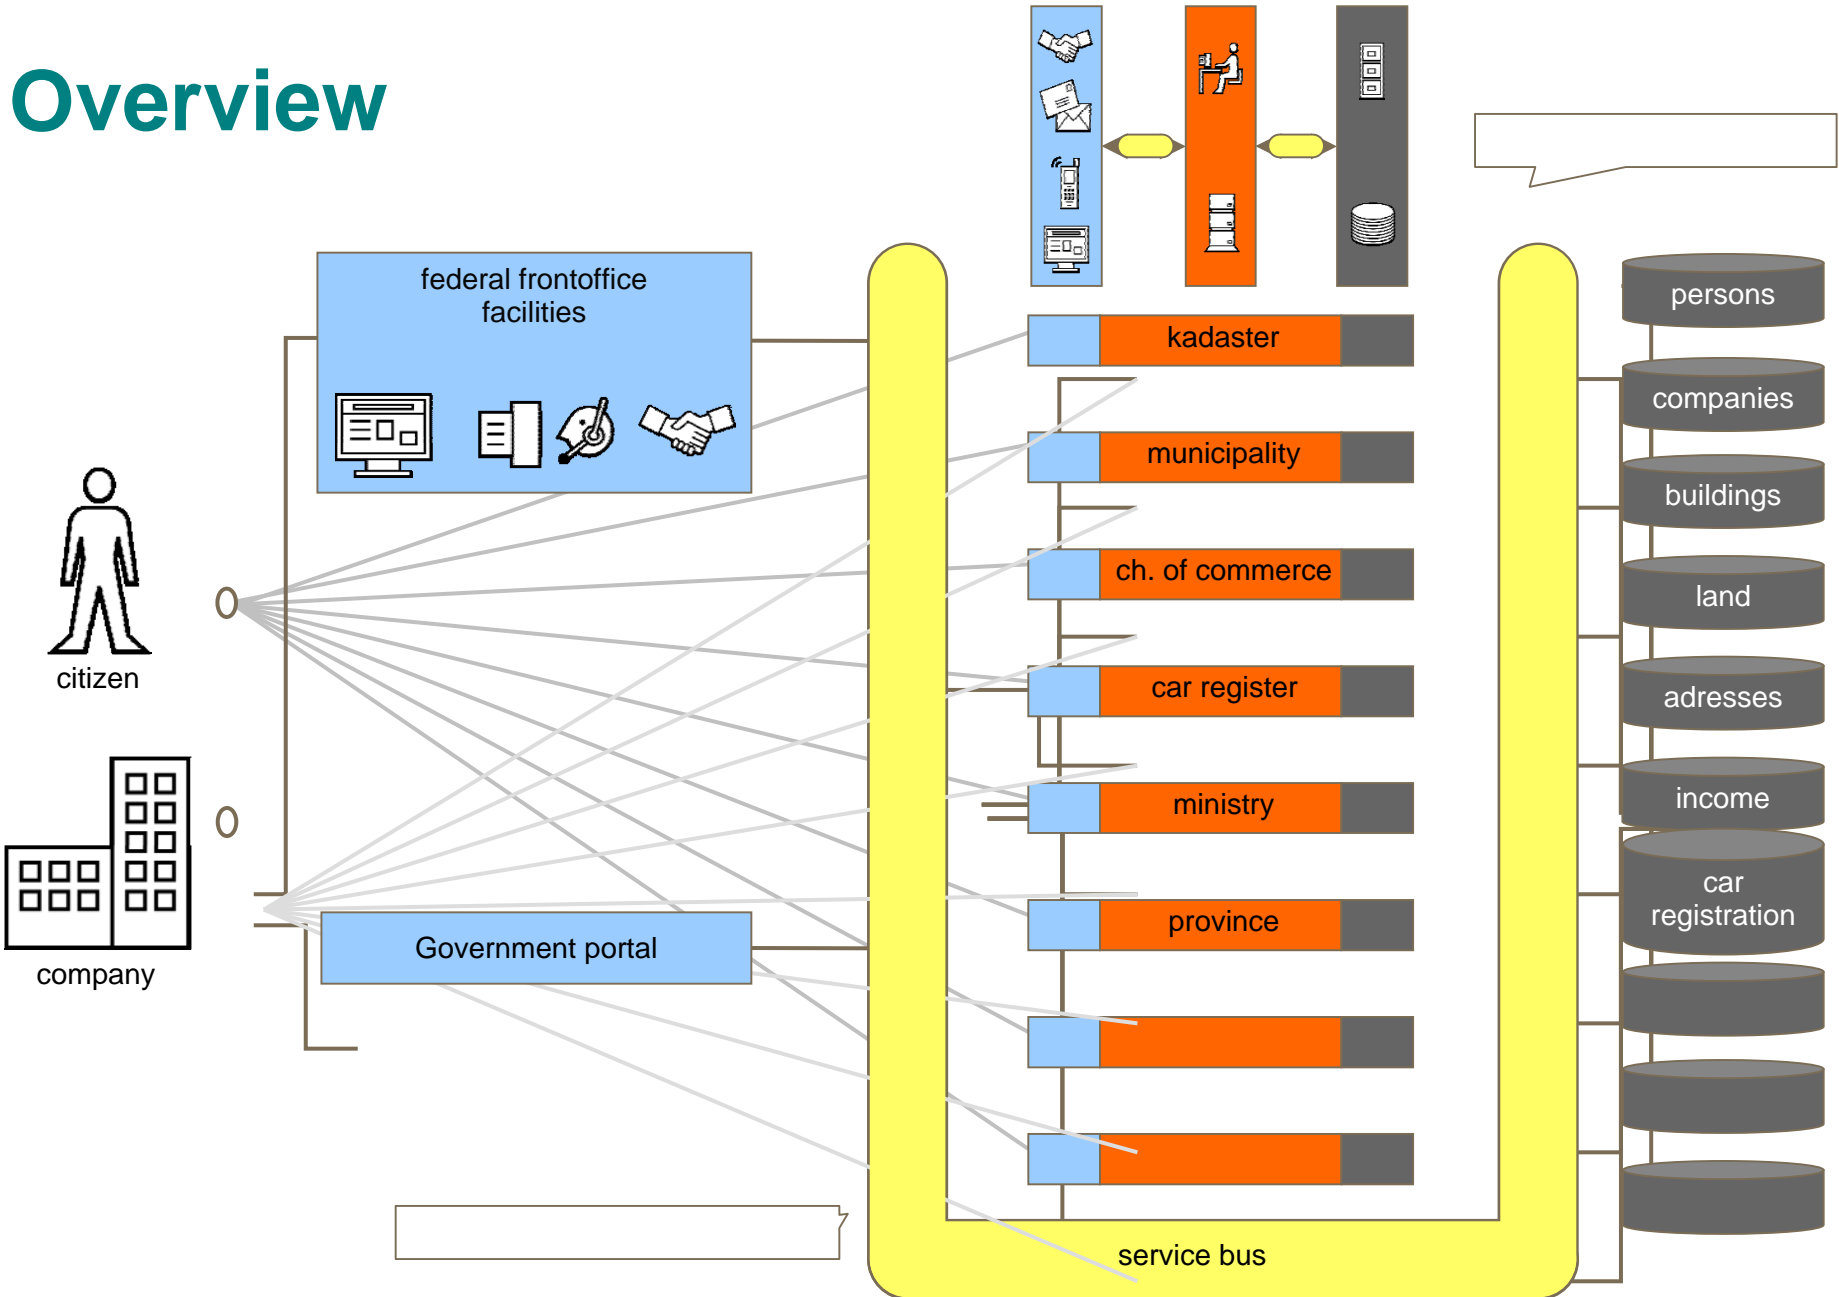

July 6-8, 2008

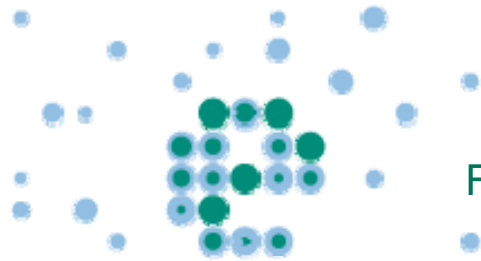

State of affairs

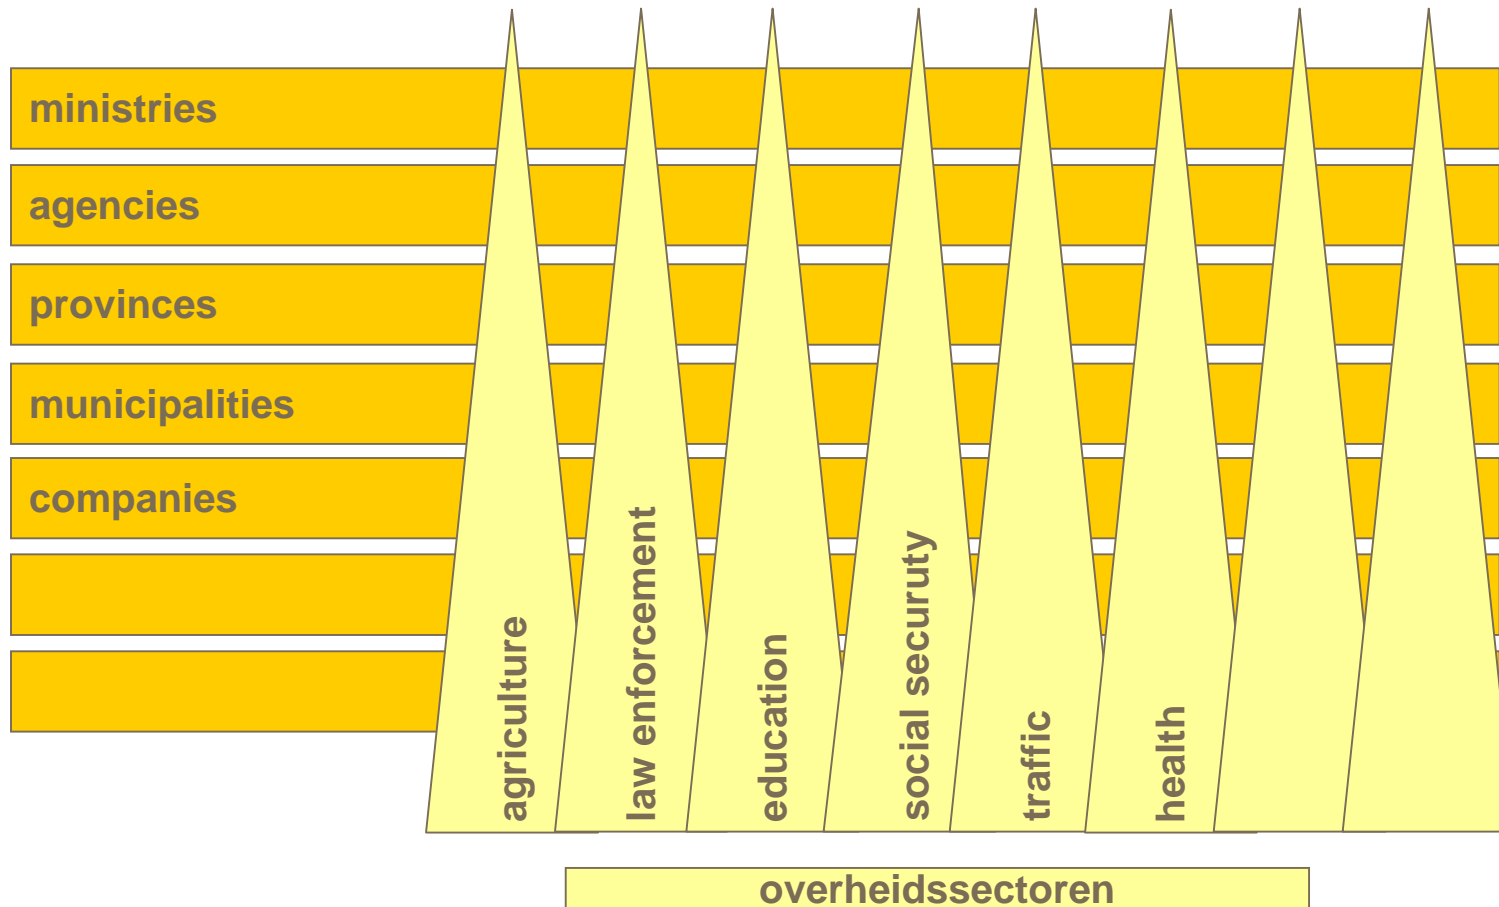

- Work in progress since 1999
- Isolated registers in place since the eighties
- Some 10 registers now implemented
- Laws for each register
- The Minister of the Interior for general coordination

Overview

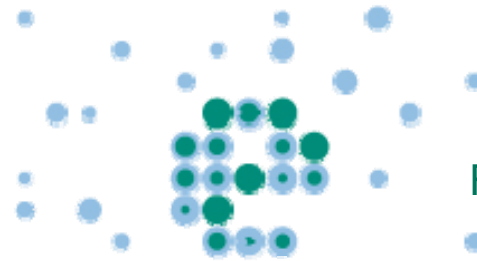

Connecting the dots

July 6-8, 2008

Issues

- Harmonization of data definitions
- Standards for retrieval of data
- Standards for quality assurance processes
- Governance of the system
- Pricing
