The Dutch Team

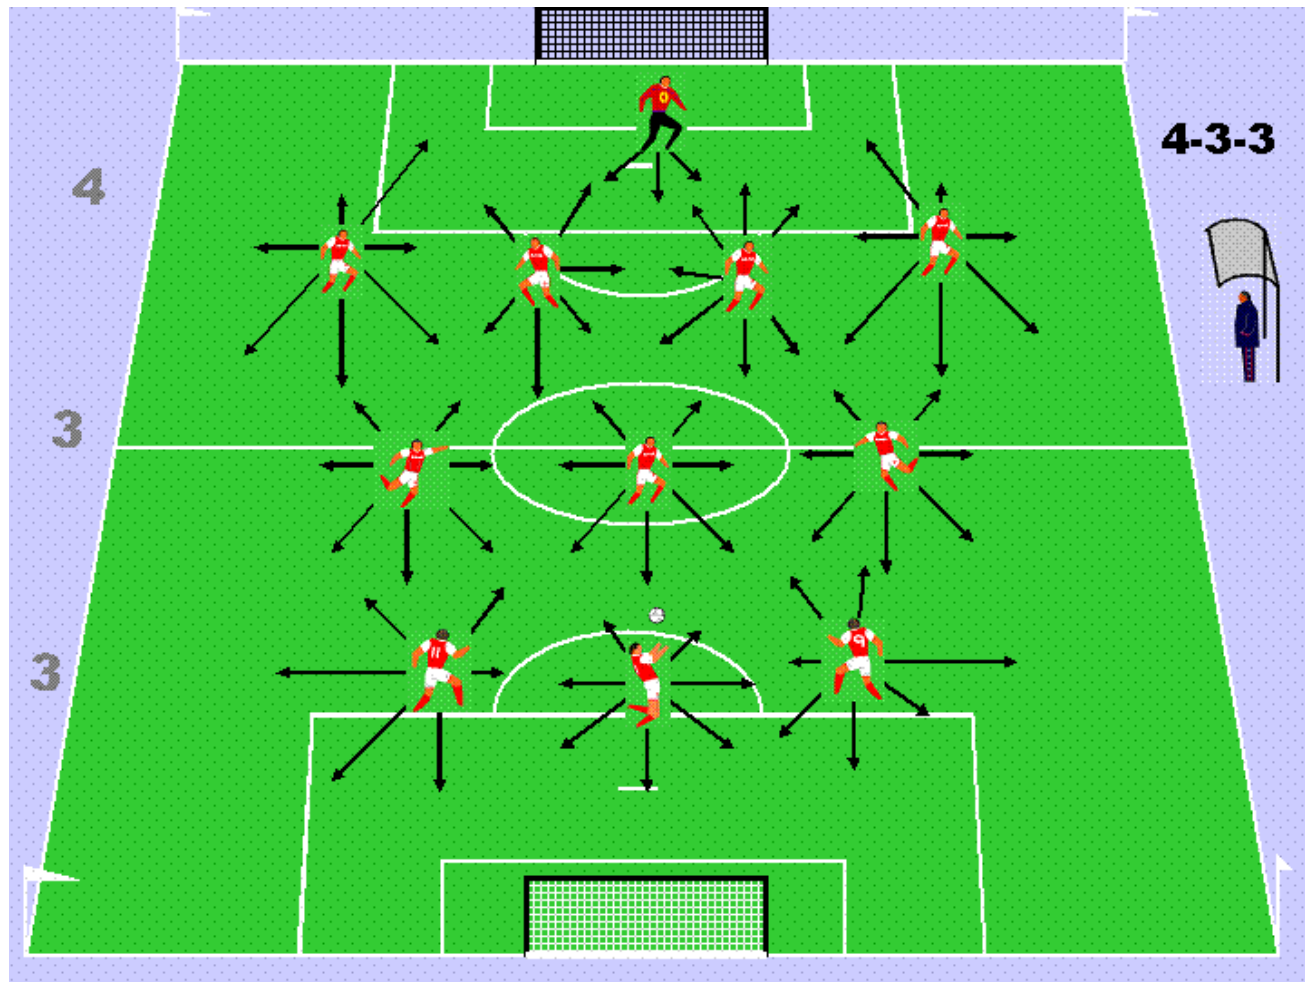

Our goal: an interoperable Dutch Team

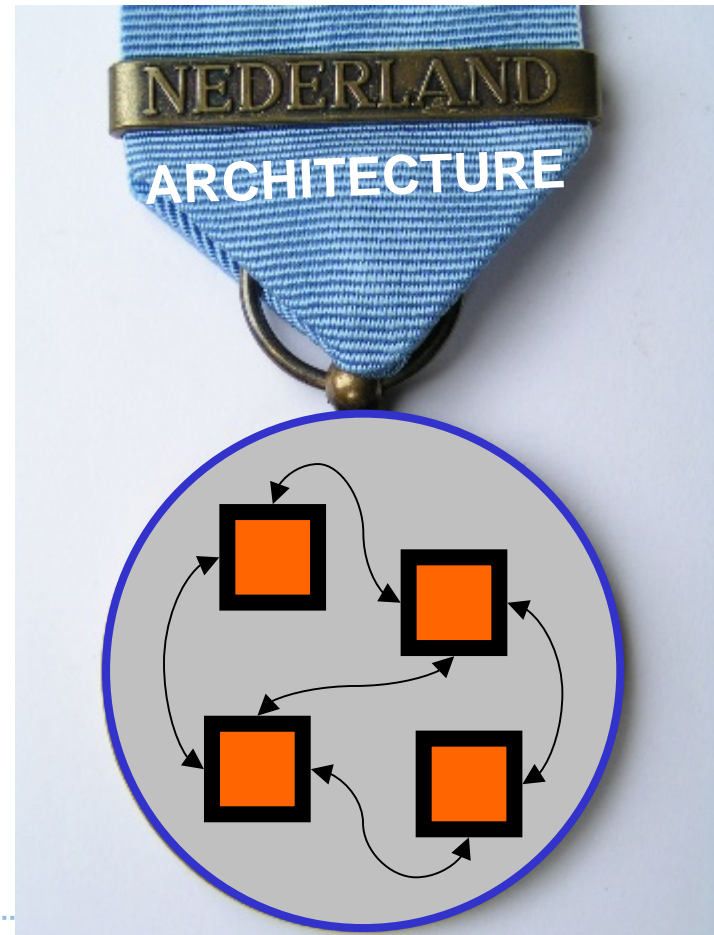

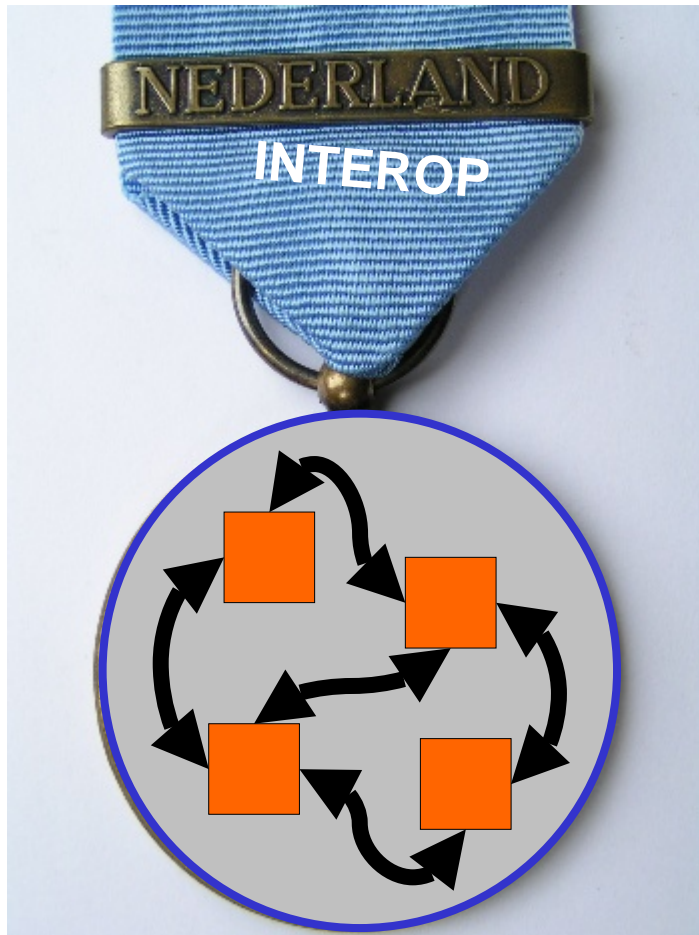

- A citizen / company centric government
- Government as part of “daily life”

How we play: NORA

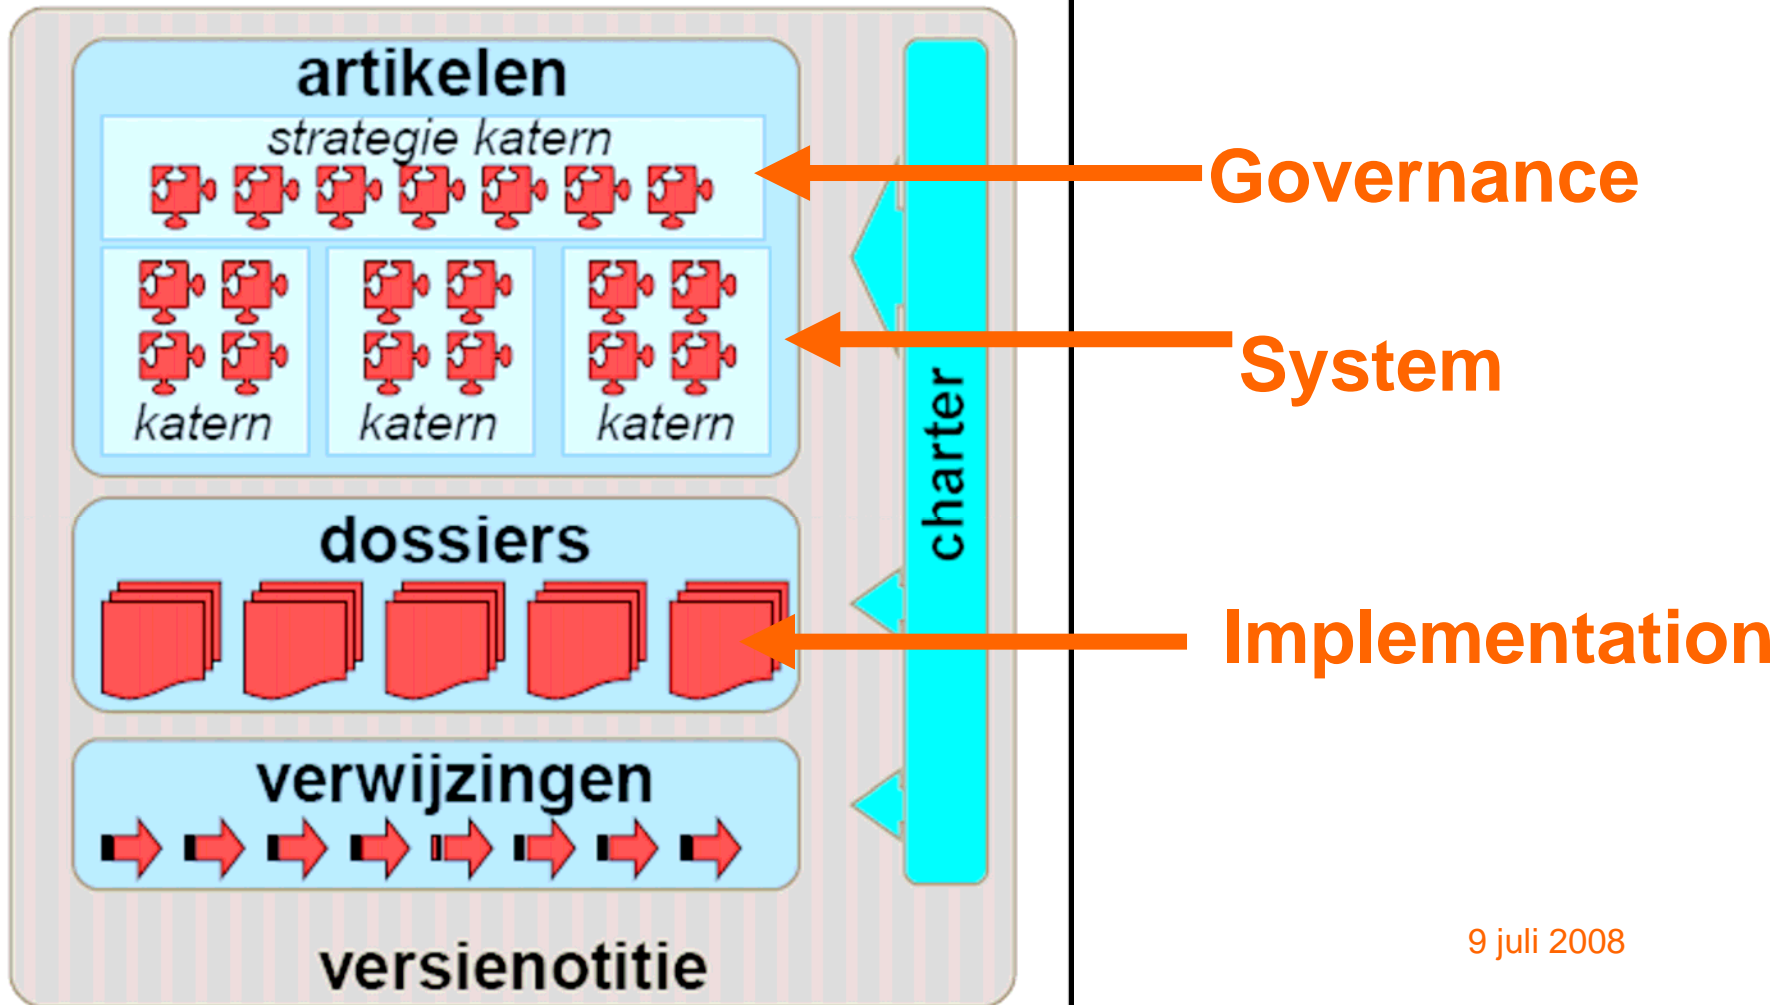

ili 2008

2 sides of the same medal

Our rules of play: NORA

The challenge: play & score

An simple, yet effective IF enabling e-government by :

- Use of common building blocks
- Use of (open) standards
-
- Identify “gaps” in existing law & regulation
- Other barriers

The challenge 2: the community process

- Get stakeholders involved
- Public consultation
- How to address the decision maker?
